

Luther Enloe Private Studio Policies

Good communication is key to a healthy teacher-student relationship. In my experience, understanding and agreeing to policies regarding payments, cancellations, and practice expectations significantly reduces conflicts and misunderstandings.

Lesson fee: \$90 (USD) per 50 minute lesson

Payment Policy: Lesson fees are paid by the first of each month for that month. Lessons may be paid via Paypal (Friends and Family), Venmo, or Zelle. Students must commit to study for the entire month and, should the student terminate lessons before the end of the pay period, no refunds or partial refunds will be given.

Practice requirements: Students are expected to practice a minimum of 45 minutes to 1 hour a day, 5 to 6 days a week. I understand that life happens, especially for adults, and practice time is easily interrupted. However, the above should be an initial goal in order to reap the benefits from private study. Students who aspire to play at a professional level who are preparing for competitions, auditions, or recitals, should practice a minimum of 2 to 5 hours per day, 6 days a week.

Cancellation Policy: Only one make-up lesson will be granted per pay period provided at least twenty-four-hour notice is given. Refunds will not be given for student cancellations; we will either make-up a lesson or apply credit for the next pay period. Generally, cancellations should be limited to instances of religious observance, illness, or unforeseen emergencies. Students should not cancel due to not having had time enough to practice or if they are feeling unprepared: in these cases we will use the time for guided practice sessions. All instances of instructor initiated cancellations will be made-up or credited to the next pay period.
